RE: Victory Political Action Committee
FEC ID C00344374

To whom it may concern:

This is close out two requests for information we received on December 29, 2011 and February 10, 2012. The requests from the Commission were for an amended Statement of Organization to reflect a new mailing and e-mail address for Victory PAC.

Due to a software error, we were unable to properly submit that amended return. However, with the assistance of your technical staff, we submitted that amended return this morning.

It is my hope that this amended filing and this memo fulfills your request for information in these two previously referenced letters.

Sincerely,

Paul J. Bedinghaus
Treasurer
